

# Karthika Aravind

## UI Developer

I have a total work experience in IT industry for more than 5 years . I am currently working as UI Developer in Zycus Infotech, Bengaluru. Development experiences in front end has developed a keen interest in me to UX designing as well. My objective is to observe and think from a user perspective , find out the problems and provide the best solution. I am looking forward to extend my career in UI/UX designing and development
